**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF WASHINGTON**

In re:
GIGA WATT INC.,
Debtor

Case No. 18-03197-FPC
The Honorable Frederick P. Corbit
Chapter 7

**DECLARATION OF JUN DAM
IN SUPPORT OF MOTION TO
INTERVENE AND STAY
PROCEEDINGS**

I, Jun Dam, under penalty of perjury, pursuant to the laws of the State of Washington declares the following as true and correct:

1. **Creditor Status:** I am a creditor in this case, holding a claim for 1,025,660 tokens, with a filed Proof of Claim (Claim No. 52) for \$5,391,720.37.

2. **Exclusion from Omnibus Motion:** My claims were not included in the Trustee's First Omnibus Objection to Claims, despite being identical to those of other token holders and the largest claim in the class.

3. **Potential Prejudice:** If the claims of other token holders are dismissed, it would set a binding precedent that would impair my ability to defend my claims and would practically preclude me from litigating identical issues in the future.

4. **Filing History:** On October 22, 2024, I filed an objection to the Trustee's omnibus motion and a subsequent joinder to the objection of Georgios Lignos

5. **Judicial Economy and Equity:** Consolidating my claims with the omnibus motion and staying proceedings would prevent inconsistent rulings, ensure equitable treatment, and promote judicial economy.

Dated this 22nd day of November, 2024

Jun Dam (*Pro Se*)
